

BID PROPOSAL

Place _____

Date _____

Project No. _____

Proposal of _____

(hereinafter called BIDDER) a corporation, organized and existing under the laws of the State of _____/

a partnership / an individual doing business as _____

(cross out non-applicable references).

To the Riverbend Water Resources District, TEXAS (hereinafter called OWNER).

Gentlemen:

The BIDDER, in compliance with your invitation for bids for the PUMP STATION AND GROUND STORAGE TANKS PROJECT, having examined the plans and specifications with related documents and the site of the proposed work, and being familiar with all of the conditions surrounding the construction of the project including the availability of materials and labor, hereby proposes to furnish all labor, materials, and supplies, and to construct the project in accordance with the contract documents, within the time set forth therein, and at the prices stated below. These prices are to cover all expenses incurred in performing the work required under the contract documents, of which this proposal is a part.

The BIDDER shall ensure that the unit or lump sum prices contained in the bid proposal are balanced and are not in excess or below the reasonable cost analysis value for each item. The OWNER reserves the right to reject all unbalanced bids.

BIDDER hereby agrees to commence work under this contract on or before a date specified in a written "Notice to Proceed" of the OWNER and to fully complete the project within **270** consecutive calendar days thereafter as stipulated in the specifications. BIDDER further agrees to pay as liquidated damages, the sum of **\$250.00** for each consecutive calendar day thereafter as hereinafter provided in the General Conditions.

BIDDER acknowledges receipt of the following addenda:

1. _____
2. _____
3. _____
4. _____

BIDDER agrees to perform all the PUMP STATION AND GROUND STORAGE TANKS PROJECT as described in the Specifications and shown on the Plans, for the following unit prices:

**RIVERBEND WATER RESOURCES DISTRICT
PUMP STATION AND GROUND STORAGE TANKS PROJECT**

The contractor shall furnish all labor, equipment, materials and superintendence required to perform all work in connection with the PUMP STATION AND GROUND STORAGE TANKS PROJECT as per the Plans and Specifications, including but not limited to the following (Note that these prices shall include all items necessary for a complete and operational system as per the Plans and Specifications).

Amounts are to be shown in both words and figures and, in case of discrepancy, the amount shown in words will govern.

The above unit prices shall include all labor, materials, bailing, shoring, removal, overhead, profit, insurance, etc. to cover the finished work of the several kinds called for.

BIDDER understands that the OWNER reserves the right to reject any or all bids and to waive any formalities in the bidding.

The BIDDER agrees that this bid shall be good and may not be withdrawn for a period of 60 days after the scheduled closing time for receiving bids.

The (5%) bid security accompanying this proposal shall be returned to the BIDDER, unless in case of the acceptance of the Proposal, the BIDDER shall fail to execute a Contract and file a Performance Bond, Payment Bond and Maintenance Bond within fifteen days after its acceptance, in which case the bid security shall become the property of the OWNER and shall be considered as payment for damages due to delay and other inconveniences suffered by the OWNER on account of such failure of the bidder. It is understood that the OWNER reserves the right to reject any and all bids.

The work proposed to be done shall be accepted when fully completed and finished in accordance with the Plans and specifications to the satisfaction of the ENGINEER.

The undersigned certifies that the bid prices contained in this Proposal have been carefully checked and are submitted as correct and final.

Respectfully Submitted:
