

RIVERBEND RESOLUTION NO. 20180926-07

APPROVING THE RIVERBEND REGIONAL WATER MASTER PLAN 2018 CONDUCTED BY SUSAN ROTH CONSULTING, THE SECOND COST ESTIMATES AT LEVEL III CONDUCTED BY AECOM, AND THE RIVERBEND RWMP COMPILATION AND SUMMARY 2018

WHEREAS, Riverbend Water Resources District is a conservation and reclamation district created under and essential to accomplish the purposes of Section 59 Article XVI, Texas Constitution, existing pursuant to and having the powers set forth in Chapter 9601 of the Special District Local Laws Code of the State of Texas; and

WHEREAS, Riverbend Water Resources District has conducted numerous preliminary studies to examine the viability of extending the life of the New Boston Road Water Treatment Plant, to build a new regional water treatment plant to replacing the existing plant, or to build a new plant in combination with renovations at the existing plan; and

WHEREAS, Riverbend Water Resources District has a need for regional water master planning in order to review the regional demand for future potable and non-potable supply, current available water supply, capital facilities production capacity, and transportation for the connection and distribution of water supply around the region; and

WHEREAS, Riverbend Water Resources District also has a need for regional water master planning in order to further identify the necessary water resources and regional infrastructure costs essential to meeting the area's water demands for the next 50 years; and

WHEREAS, Riverbend Water Resources District also has a need for second costs estimates to verify in more detail the costs for major infrastructure such as a new raw water intake, new raw water line to the TexAmericas Center footprint, and new water treatment facilities in both Bowie and Cass counties in order to meet the area's water non-potable and potable demands for the next 50 years; and

WHEREAS, Riverbend Water Resources District has completed and compiled by summary the Riverbend Regional Water Master Plan 2018 conducted by Susan Roth Consulting and Second Cost Estimates at Level III conducted by AECOM; and

NOW, THEREFORE, BE IT RESOLVED that the Board of Directors of the Riverbend Water Resources District formally approves for publication and distribution the Riverbend Regional Water Plan 2018, the Second Cost Estimates at Level III, and the Riverbend RWMP Compilation and Summary 2018.

PASSED and APPROVED this 26th day of September, 2018

Marshall Wood, President
