VI. Agenda Items for Individual Consideration

A. Discussion and possible action regarding approving Riverbend Resolution 20190417-01 approving Riverbend's Investment Policy and Strategies.

Tara Houck, Senior Accountant, provided information on updates made to the Investment Policy and Strategies. The Investment Policy amendment changes the title of the District's financial reports from "Comprehensive Annual Financial Report" to "Financial Reports" and the title of second investment officer from "Director of Finance" to "Senior Accountant" or "Chief Financial Officer". The main purpose for this change is to specify the position responsible and remove the Executive Director/CEO from the financial officers required to attend a bi-annual training on investments. Elizabeth Fazio Hale suggested that the Executive Director/CEO not be listed as an Investment Officer due to the amount of training that is involved with holding that responsibility. Mrs. Fazio Hale suggested that the Executive Director have oversight responsibilities.

A motion was made by **Van Alexander** and seconded by **Marshall Wood** to approve **RESO 20190417-01** approving the Investment Policy and Strategies with the recommended change to remove the Executive Director/CEO as an Investment Officer. The motion was approved unanimously.

B. Discussion and possible action regarding approving Riverbend Resolution 20190417-02 approving Riverbend's Capitalization Policy.

Tara Houck, Senior Accountant, provided information on updates to the Capitalization Policy. Capitalization Policy amendment increases the lowest capitalization threshold from \$3,000 to \$10,000. The increase was suggested by our auditor for ease in identifying items to be capitalized and further depreciated.

A motion was made by **Marshall Wood** and seconded by **Sonja Hubbard** to approve **RESO 20190417-02** approving the Capitalization Policy. The motion was approved unanimously.

C. Discussion and possible action regarding offer of employment and/or resolution ratifying any contract of employment with Kyle Dooley to fill the position of Executive Director/CEO.

A motion was made by **Tina Veal-Gooch** and seconded by **Van Alexander** to ratify and approve the contract of employment with Kyle Dooley to fill the position of Executive Director/CEO. The motion was approved unanimously.

D. Discussion and possible action regarding approval of a resolution updating authorized signatures for all bank accounts.

Elizabeth Fazio Hale provided information on the need to change the authorized signors on the accounts due to her recent resignation and upcoming employment of Kyle Dooley.

A motion was made by Marshall Wood and seconded by Tina Veal-Gooch to approve RESO 20190417-03 approving the updates to the bank accounts. The motion passed unanimously.

E. Discussion and possible action regarding approval of a resolution authorizing an update of contact information on accounts relative to the position of Executive Director/CEO.

Elizabeth Fazio Hale provided information on the need for this blanket resolution. There are numerous accounts that are key to the operation of the Wet Utility that are currently in the name of Elizabeth Fazio Hale. This resolution will allow the vendors and other entities to make changes in their records to reflect the change in leadership.

A motion was made by **Tina Veal-Gooch** and seconded by **Sonja Hubbard** to approve **RESO 20190417-04** approving the update to contact information on accounts relative to the Executive Director/CEO. The motion passed unanimously.

F. Discussion and possible action regarding date for 9:00am-4:00pm event for Riverbend Board Training and Strategic Planning Session with new Executive Director/CEO.

Discussion was held regarding three (3) tentative dates to have a planning/training session with the newly appointed Executive Director. The dates discussed were June 7, June 14, and June 28. Each board member planned to check their calendars and let Kyle Dooley know when they are all available.

No action taken.

G. Discussion and possible action regarding Wright Patman Lake and various regional water issues, including activities in the Arkansas and Texas Legislatures.

Elizabeth Fazio Hale provided information that the bill presented by Riverbend to remove the board sit-out provision and to include water supply corporations to become members of Riverbend HB 1574 by Representative Chris Paddie recently passed in the House and was sent to the Senate on Friday, April 12 and referred to the Water and Rural Affairs Committee.

The visit to Washington, DC went well. There is still plenty of work to be done with the USACE to implement the ultimate rule curve.

Region D planning is still moving along as well.

No action taken.
