

RIVERBEND RESOLUTION NO. 20180425-08

APPROVING RIVERBEND WATER RESOURCES DISTRICT'S WATER AND WASTEWATER RATE ADJUSTMENTS FOR RESIDENTIAL AND COMMERCIAL USERS ON THE TEXAMERICAS CENTER-EAST FOOTPRINT

WHEREAS, Riverbend Water Resources District is a conservation and reclamation district created under and essential to accomplish the purposes of Section 59 Article XVI, Texas Constitution, existing pursuant to and having the powers set forth in Chapter 9601 of the Special District Local Laws Code of the State of Texas; and

WHEREAS, Riverbend Water Resources District is owner and operator of the wet utilities for residential and commercial purposes on the TexAmericas Center footprint and for the U.S. Army at the Red River Army Depot; and

WHEREAS, Riverbend Water Resources District acquired the aforementioned wet utilities on May 1, 2016 and inherited the wet utilities rate structure from TexAmericas Center as it had been established under the Red River Redevelopment Authority; and

WHEREAS, Riverbend Water Resources District acquired the infrastructure on the TexAmericas Center-East footprint on January 1, 2018; and

WHEREAS, Riverbend Water Resources District needs to provide for the financial stability of the entity in water and wastewater rates that accurately reflect the management and operation of the wet utilities; and

WHEREAS, Riverbend Water Resources District has held three public meetings, utilized an open and transparent process for engagement of customers, and sought feedback from its customers concerning the adjustment of the wet utilities rate structure;

NOW, THEREFORE, BE IT RESOLVED that the Board of Directors of the Riverbend Water Resources District hereby approves the water and wastewater adjustments for residential and commercial users on the TexAmericas Center-East footprint.

PASSED and APPROVED this 25th day of April, 2018
