**Re: Riverbend Water Resources District
X-Plant Drying Beds Rehabilitation
Award Consideration and Bid Tabulation**

Dear Mr. Dooley:

Sealed bids were received, publicly opened, and read aloud for the above referenced project on Wednesday, June 16, 2021, at 2:00 P.M. at Riverbend WRD offices. A total of two (2) bids were received, as shown on the attached bid tabulation.

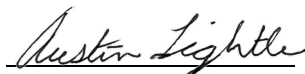

The notification and advertising process for this bid included advertisement in the local newspaper, electronic notifications to contractors and subcontractors known to perform this type of work, and presentation of the plans and specifications on www.civcastusa.com.

Texarkana Concrete Construction, Inc. (TCC) of Texarkana, TX submitted the low bid in the amount of \$190,000.

From the review of the information provided in the bid proposal and prior experience with the Contractor, the low bidder appears qualified to perform the work required and is capable of successfully completing the project.

Sincerely,

KSA
