Executive Director/CEO

From: David A. Williams, P.E.

Subject: Bid Recommendation
Drying Beds No. 4 & 5 Rehabilitation
MTG Project No. 226103

The above project was publically advertised as required by the local government code.

On March 16, 2023, bids were received from three (3) contractors for the subject project. The bid was publicly opened and read aloud.

The scope of work generally consists of the rehabilitation of the sludge drying beds no. 4 & 5 at the Ron Collins Water Reclamation Facility, including demolition of the existing drying beds, earthwork, concrete construction, piping system and filter materials, including all materials, equipment, labor and incidentals.

The summary of bids from the contractors are as follows:

Contractor	Bid Amount
Francis Excavating, LLC	\$211,708.00
Barnwell Industries	\$226,540.00
Texarkana Concrete Construction, Inc.	\$257,340.00

All bids were in order with all required documents in place.

Bid tabulations are attached as attachment 1. The submitted proposals were evaluated by a team of RWRD staff in accordance with the bid documents to determine the best value to RWRD. The results of the team evaluation are included as attachment 2.

Based on the team's evaluation, it is recommended, that the Board of Directors authorized the Executive Director to enter into a contract with Francis Excavating, LLC in the amount of \$211,708.00 for the construction of the sludge drying beds No. 4 & 5 Rehabilitation project.
