

Riverbend Water Resources District is seeking bids for three new generator sets for three different locations. Refer to the job scope for further specifications of the generator sets and locations. Delivery dates for the generator sets must be specified in all bids. Complete specification packages must be complied with your sealed bid and are available at www.rwrd.org or Riverbend Water Resources District Office, 228 A Texas Avenue, New Boston, Texas 75570. Interested parties may direct questions to Austin Robnett, Operations Manager 903-831-0091 or 903-701-1402. All bids must be submitted to the address above in a sealed envelope clearly marked "Riverbend Generator Bid". All bids must be received by 3:00 p.m. on August 17th. Bids will be opened and read aloud at this time at the Riverbend Office. The Riverbend Water Resources District reserves the right to use best value bid tabulation on all proposals, in which we will consider price and warranty of the generator sets. Riverbend Water Resources District reserves the right to reject any and all proposals.

Job Scope

1. Install new generator, fuel tank and ATS at OTC #1 Lift station.
2. Install new generator, fuel tank and ATS at OTC #2 Lift station
3. Install new generator, fuel tank and ATS at Elliot Lake Booster Pump Station.

Please call Austin Robnett at (903)-701-1402 to look at the three different locations and get the appropriate voltage and size needed for the generator sets.

All specifications are minimums; contractors may submit any standard manufactures equipment that exceeds these minimums.
